A kind, but calm voice discussing our problems
... neat piles of requisitions on a desk ... the
expert advice based on experiences ... the need-
ed touch of humor ... these form pictures in our
minds of the leaders who guide us today in our
world, the administration

The "elder brothers and sisters" of the school ... the leaders of tomorrow learning their daily responsibilities ... in student government, planning dances ... initiating others in school traditions ... meeting with the administration about school problems ... conducting class business and promoting academic and activities participation ... these are the seniors ...

Underclassmen ... the majority of the students ... looking to the seniors and administration for guidance ... concerned with the development of responsible citizenship ... learning how to support themselves ... the excitement of electing officers, of working together on projects ... all this is training for higher achievements ...

Melodious sounds of music . . . emotional impact of drama or forensics . . . service projects of Thanksgiving or Christmas baskets . . . loud signs in student council campaigns . . . a checking system by the student council hall monitors . . . a variety of activities whose quality amazes those who visit . . . all a part of our active world beyond our studies . . . often taking long hours of concentrated preparation after school . . .

MOLDER OF MINDS

For her long years of faithful service, we dedicate this 1965 Legend to Miss Lenore Bader.

Miss Bader, one of the pioneer teachers at Ottawa, began molding the minds of students in the second year of our school's existence. She has taught more than 5,850 students during the intervening years and thus has influenced more lives than any other member of the staff.

In two generations of service to Ottawa, Miss Bader has taught every math course from eighth grade arithmetic to senior trigonometry and calculus. A strict disciplinarian and an outstanding teacher, she has won the respect, gratitude, and loyalty of her students. Her ever present humor has won for her a per-

manent place of affection and admiration in the hearts of each of her students. She is always ready to give her time and efforts to help students in class work and extra-curricular activities. In her 39 years at Ottawa, Miss Bader has been Senior Class Advisor, business manager of the Spectator, and advisor of Junior and Senior Girls' Leagues. For the past two decades, she has been head of the math department. Under her guidance, the advanced math program developed and has stimulated future mathematicians.

Anyone who has come in contact with Miss Bader throughout his high school career agrees that she has been one of the great influences in his life.

OUR LEADERS

OF TODAY

The leaders of our school world consist of the administration and faculty. As generals lead their troops forward, so do our leaders urge us forward to our future as adult Americans. Through their examples they teach us to have high standards and ideals in academic, social, and spiritual life. Every student at Ottawa finds that he has an equal chance to succeed in the adult world

Dr. Jay Pylman, Superintendent

Grands Rapids has a new Superintendent of schools. After graduating from J.C., Dr. Pylman received his B.A. from Calvin College and his M.A. and Ph.D. from the University of Michigan. Since Dr. Pylman has always been interested in young people, he taught government and economics at Owosso High School for one year and then at Grand Rapids Central. Dr. Pylman later went to J.C. to teach economics and political science. From 1949 until the summer of 1964, he served as the Assistant Superintendent of Schools in Grand Rapids. Upon the retirement of the former superintendent, Dr. Pylman became the new chief executive of the school system.

Our world needs leadership; Mr. Wierenga is Ottawa's guiding force. Along with looking after the general welfare of each student, he is responsible for maintaining high standards in school activities. Although extremely busy, Mr. Wierenga always has a spare moment to aid one of his students. Because of his dedication, Ottawa ranks as an outstanding school.

"Behind every successful man is a woman." Miss Campbell, assistant principal, assumes responsibility for the fine academic program and assists Mr. Wierenga in enforcing school policies. One of the busiest people in school, Miss Campbell helps make the students' experiences enjoyable. Her patience and understanding benefit everyone at Ottawa.

INDIAN CHIEFS

Mr. Elmo Wierenga, Principal

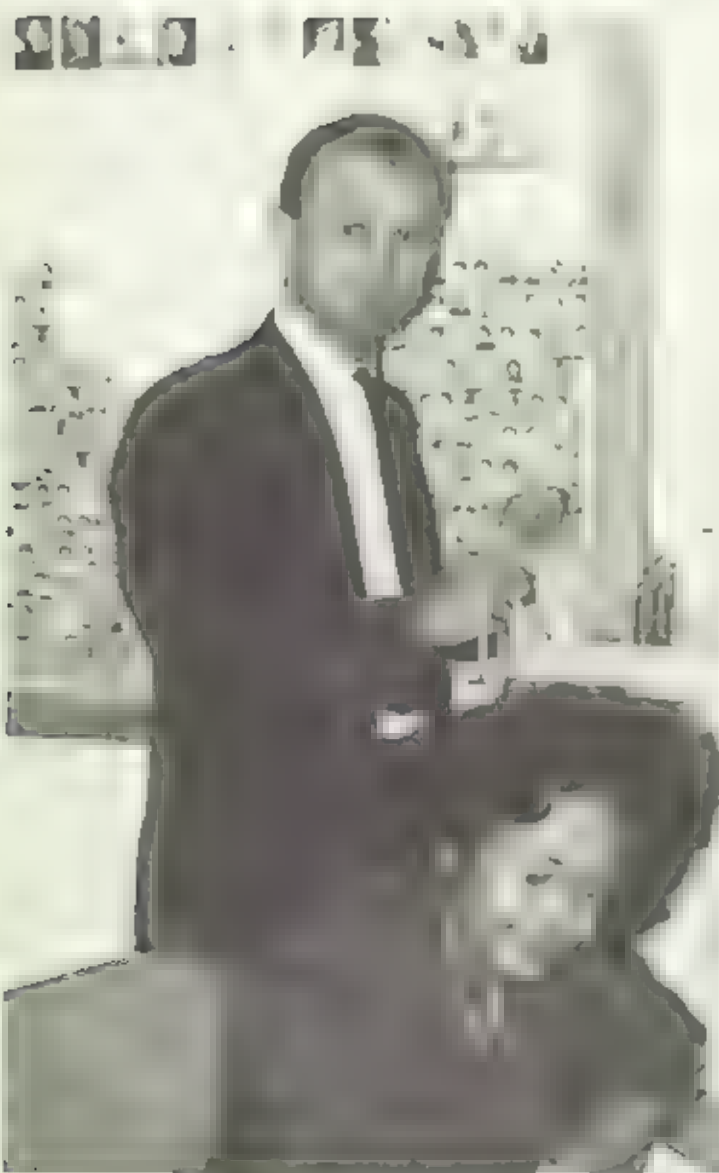

Miss Marion Campbell, Assistant Principal

Mr. Lane, Mrs. Goudzwaard, Mr. Hoge

INDIAN GUIDES

Mr. Rose, Mrs. West

Many problems arise in high school. Guidance from Ottawa's counselors is valuable in helping students overcome these obstacles. Mr. Lane guides students through their last year at Ottawa. He helps seniors with programs, makes transcripts, and offers vocational and scholarship information to students. Mr. Lane takes part in some of the Senior's major activities helping to make the final year at Ottawa memorable for the Class of '65. Mr. Goudzwaard helps the juniors plan their senior year in high school. PSAT's, National Merit Tests, and vocational guidance are arranged for the eleventh grade by her. Program planning and Iowa Tests are two main events the sophomores undertake with Mr. Hoge's assistance. He also works with the class sponsor to enrich the year for the sophomore class.

Junior High School can also challenge students. Junior High counselors help students make the transition from grade school to junior high. Mr. Rose helps the freshman plan their high school programs and helps Mr. Lane with senior transcripts. He also gives Mrs. West, the seventh and eighth grade counselor, needed assistance. Orienting seventh graders to Ottawa, administering the DAT, and planning high school programs with eighth graders keeps Mrs. West busy throughout the year.

EFFICIENCY THROUGH HARMONY

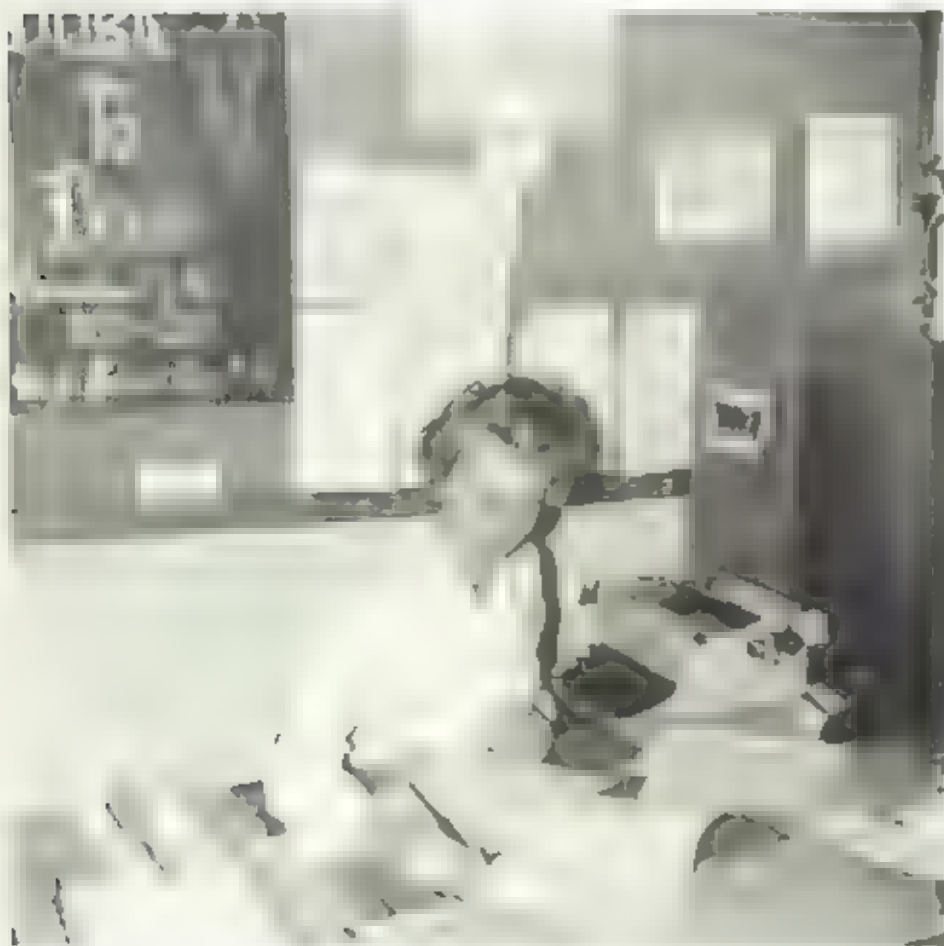

The office staff is always ready to help students, faculty, and parents. Bonnie Brunsink, the head secretary, keeps everything co-ordinated. Ottawa's general secretary, Mrs. DeLoof, answers phones and assists faculty and students. Mrs. Thomas, the counselors' secretary, schedules appointments and takes messages for the counselors. In the attendance office is Mr. Debree who says that his main work is "chasing kids." Mrs. Demmon, the attendance secretary, assists him in keeping record of every students' attendance. Through harmony all these people help make Ottawa's office world organized

COOKS COOK AND CUSTODIANS CLEAN

Preparing 1300 lunches daily for Ottawa and several other city schools keeps the cooks busy. In spite of the hurried lunch periods, students appreciate the appetizing and well-balanced meals.

Few students realize the work necessary to keep Ottawa a clean and neat world. Although the custodians are responsible for maintaining health standards, they always have time to help the faculty and students. Besides working during the school year, these people work all summer cleaning the building and making it attractive for the opening of school.

FREEDOM OF EXPRESSION

Oral and written languages at Ottawa explore four countries of the world, England, Spain, France, and Italy. Ottawa requires the student to take three years of either basic, regular, or honors English depending upon each student's ability. Basic English strives to improve the use of grammar and help students who are weak in this area, while honors offers more literature for the enthusiastic student. Twelfth graders in the honors program are encouraged to take advanced placement, an equivalent to freshman college English. Literature courses explore the background of famous English writers and the history of England.

Ottawa continues to enlarge student language appreciation by offering three years of French, Spanish, and Latin. For the first time, thirteen students organized a third year Latin class to translate Cicero. Spanish and French classes continue to increase the usage of Ottawa's language labs. French students are permitted to take home tapes to aid them in oral speaking. Through the foreign language department, students become better acquainted with France, Italy, and Spain and realize that their customs differ from ours.

EXPLORING OUR WORLD

Political debates and mock elections are always held by the social studies department during a presidential election year. Students study the candidates and issues before deciding for whom they will cast their votes. Advanced students enroll in international relations instead of economics. Besides learning the foreign policies of countries, they also learn the reasons for them. Through these studies the students become aware of the activities conducted by the government of the United States.

More students become drivers every year through the help of driver education. Students practice on the driving range to learn the fundamental skills of keeping the car under control before driving on city streets. Grades are based on the student's driving ability and written tests. Because students are required to take this course before applying for a license, it is eagerly awaited.

A BETTER WORLD THROUGH SCIENCE

Science intrigues students on every level. Junior high students are taught the fundamental scientific method to solve problems. They learn to observe and appreciate their environment. Biology and earth science students study from the point of inquiry. They use their own resources to find answers. Field trips and lab experiments enable students to discover new ideas.

Foundations of science is a new course for college-bound freshmen and sophomores. History, philosophy, and methodology are taught for two hours, three days a week. Resource people in the fields of English, math, history, chemistry, physics, biology, and earth science help students understand the nature of science and the ways in which scientists work. By special techniques an attempt is made to find order in the chaos which is characteristic of nature. The most important feature of this new course is the students' realization that all present knowledge is subject to question and possible revision.

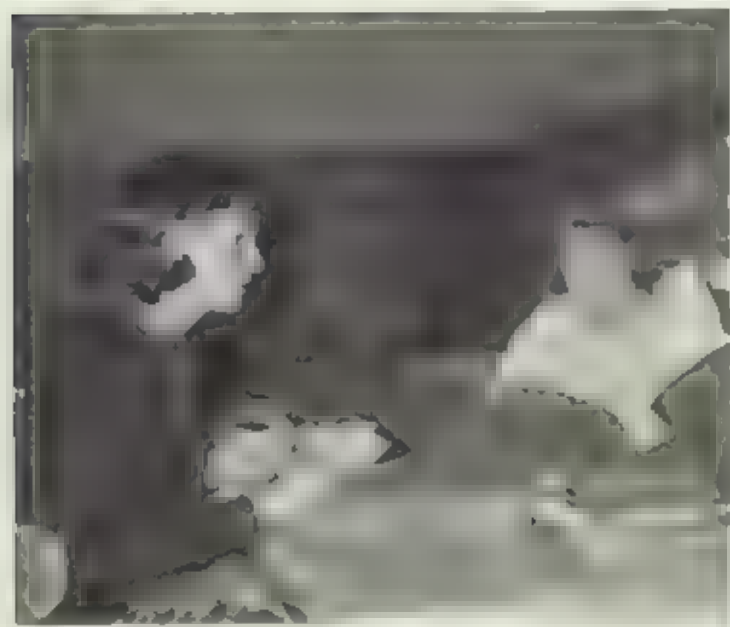

Young chemists learn how lab reports are made and how vital the periodic chart is to chemists. Physics depicts the dynamic aspects of science and its practical application. Physiology teaches students about the human body. All of Ottawa's courses in science clearly attempt to stress the pertinent relation of scientific ideas to society.

It's simple; cover one eye and look with the other.

MATHEMATICS IN THE WORLD OF WORK

Elsie Bacher, A.B., M.A., Hope, U. of M.; geometry, algebra
Katie Gossett, B.S., Alabama State; general math, English, typing

Math courses at Ottawa Hills prepare the student for any career. Students who are interested in non-mathematical fields are offered algebra and geometry. Business students may take business arithmetic, and those who will not be attending college may study general math. A five-year accelerated program is offered for preparation in engineering. Five years of math can be completed in four with the senior year devoted to analytic geometry. Three interested students attend a night course at Junior College explaining the use and management of computers. Students may continue to prepare for advanced computer work in college. Seniors compete in national competitive math and have maintained a good standing in the national results. With these opportunities each student finds the math field which best prepares him for his career.

OUR GOAL IS BETTER LIVING

Students in the seventh and eighth grade fused classes become interested in the sphere of educational activities. In the seventh grade geography classes, they study the topography of various areas of the world. Studies in the eighth grade history classes are taught from the early settlement of America until World War II. English classes realize the meaning of a theme and learn the rules of writing a good paper.

Students who are unable to participate in regular classes attend special education classes. This program is designed to enable the teacher to give extra attention to each person's problem. Not all classes are taught in the special education room. The students take such subjects as U.S. history and government in average classrooms. To be part of the school, the students participate in athletics and school clubs.

The new oral deaf class is made up of former students from the Shawnee Park Oral Deaf School. These students attend junior high level classes in the morning. During the afternoon they return to the oral deaf classroom where they receive special help in areas of greatest difficulty.

Barbara Morgan, B.A., Ohio Wesleyan; Home Economics Bernice Patton B.S., Michigan State Home Economics

Introducing students to the world of etiquette, home management, and good grooming are the goals of the Home Economics Department. Foods and clothing classes put special emphasis on good nutrition, preparation of food, and fashion. Students in foods classes test their knowledge by giving teas during the year. In advanced clothing classes, girls study fabrics and the basics of color and design. Each girl completes an ensemble for herself as a major project.

Absent: Alma Stace, B.S., M.A., U. of M.; Bob Jones, typing; Future Business Leaders.

Students prepare for the business world in the Commercial Department. Typewriting and shorthand methods are taught in Business Typing and Stenography. The Business Math course helps instruct students to solve problems to prepare them for Bookkeeping courses. The proper filing procedure and use of business machines are included in Office Practice. Students learn to type for their own convenience in Personal Typing.

Vocational training in industrial arts is the major step toward preparing for a career in industry. Students begin by developing skills and understandings needed to use home tools. Drafting classes apply mathematics in their architectural drawings and the students gain the ability to design blueprints. Woodworking teaches students how to work with wood and the characteristics of different kinds of wood. Bookbinding, silk-screening, and printing are taught in graphic arts. For service to Ottawa the students print tickets and programs for many school activities.

Creative ability is clearly exhibited to the student body. Throughout the year art classes display colorful pictures in the halls, while the band and orchestra perform at many enjoyable assemblies. The orchestra and art classes' assistance in the senior play is appreciated and the entertainment that the band provides during half-time at our football games helps to increase school spirit. Pep assemblies are given that extra boost with the pep band helping to cheer us on to victory. The orchestra enriches the students' musical background by giving a classical concert in the spring. Art enables the student to learn proportion, design, and layout. Although many students do not major in either music or art after high school, they find the classes enjoyable.

THE WONDERFUL WORLD OF BOOKS

Wonderful worlds of adventure, facts, and fun can be found in Ottawa's library. Our three librarians, Mr. and Mrs. Sullivan and Mrs. Lieffers, are always ready to help students choose books. Several book reviews are given by Mrs. Sullivan to the Junior High. Many students learn about the functions of a library through their student librarian work during study halls. Students are well informed on Michigan Week, Library Week, and Book Week by interesting display and bulletin boards. Taking a book poll throughout Senior High English classes, the Scholarship Committee helps the library purchase the books the students want to read.

Endurance and co-ordination are emphasized in required physical education for students from seventh through tenth grade. The boys concentrate on building strong bodies by participating in basketball, football, track, and baseball. The girls' stamina is increased through track and field events, field soccer, softball, tumbling, and volleyball. Studying done for written tests enabled them to retain a background of each sport. Good sportsmanship and co-operation, important to future success, are produced through intra-class competition.

LEADERS

OF TOMORROW'S WORLD

Underclassmen look up to the seniors for direction and leadership because seniors are the future leaders of "Our World." The senior year is one which is long remembered. It symbolizes the end of twelve wonderful years and the beginning of life in the mature world. Each senior sadly realizes that this is the last time he will be participating in high school events such as the traditional senior play, spirit jug contests and marking period tests. For these seniors the voyage to self-discovery is just beginning.

SENIORS LEAVE THE HALLOWED HALLS

Jim Warmington, Pres., Bill Johnson, V-Pres., Jane Raubinger, Sec., Sally Cook, Treas

Suddenly the Civic Auditorium is quiet. Strains of "Pomp and Circumstance" announce the beginning of commencement. Then the caps and gowns are seen as the seniors enter the auditorium to receive their diplomas. As the Class of 1965 awaits the end of this momentous event, the days of past years are remembered.

Seventh grade was filled with confusion as the little Indians were introduced to a new building, fused classes, and eighth hours . . . eighth grade split the class between Ridgeview Junior High and Ottawa . . . ninth grade arrived and the class members were now the "leaders" of the junior high . . . their sophomore year united the Class. As sophomores many traditions were broken and new ones started: the Sophomore Girls League was organized and the Spaghetti Dinner, which is now an annual event, was initiated as a class project. The arrival of class rings in the fall

helped add to the excitement of the Junior year. "Only in America" was the theme of the Junior Revue which showed the tremendous talent in the Class of '65.

The last year contained "Dusk to Dawn", Homecoming 1964, and the Senior Play, "The Curious Savage." Seniors applied to colleges, entered the Christmas hall decorating contest, took College Boards, and exchanged senior pictures. As the snow disappeared, Senior Skip Day and the Prom were welcomed. Baccalaureate ceremonies and the Senior Banquet were part of graduation which culminated at the Civic Auditorium.

The Class of 1965 leaves the hallowed halls of Ottawa, remembering these past days with sweet sadness, but looking toward a future filled with the realization of its fullest hopes.

SENIORS SCORE A SUCCESS

Many weeks of hard work produced a wonderful presentation of *The Curious Savage*. The central theme of the play was a middle-aged woman's dream of establishing a fund for people to realize their secret desires. Mrs. Savage, this eccentric woman, was portrayed by Christy Beatty. When her three children, Cornelia Mitchell, Bill Eckberg, and Don Wierenga realized they would not receive a share in mother's inheritance, they had her committed to a sanatorium. At the sanatorium Mrs. Savage made many friends played by Sheila Wagstaff, Dave Ford, Jan Heyl, Cindy Cunningham, Dave Roth, Judy Miller, and Nancy Nims. The valuable assistance rendered by Mrs. Cook and the student directors, Nancy Nims and Mariyn Koch, helped make the play a huge success.

"Hannibal, please play another song."

"According to this paper, Mrs. Savage is worth \$10 million."

LEADERS IN

TRAINING FOR OUR WORLD

Underclassmen constitute the majority in "Our World." During school years the underclassmen experiment with the subjects offered at Ottawa. They are then able to decide their preference of occupations and to mold their citizenship, leadership, service, and scholastic talents for the ensuing years.

THE BEST IS YET TO COME

Executive Board: **FIRST ROW**, l to r: Sue Schram, Vice-Pres. Marc Baas, Pres. Rick Breen, Treas. Steve Warmington, Sec. Jackie Videan. **SECOND ROW** Ellen Davidson, Roberta Kempinski, Gus Hapson, Sally Field, Judy Ver-Merris, Mike Parrish. **THIRD ROW**: Bill Goodson, Steve Thorndill, Chuck Bukray, Nancy Salhaney, Mervin Hill, Bob Atkinson

Ottawa's football and basketball teams created a tremendous amount of school unity and spirit. The juniors, in order to show that they were behind the teams "all the way," sent several telegrams wishing them good luck. Shortly before Christmas the class became involved in electing the co-chairmen of the Junior Revue Presented in March, the Revue was a great success.

In October, P.S.A.T. tests were taken and in the spring the National Merit Scholarship Tests. Vocational themes, a traditional paper for the majority of juniors, were written in January. The year reached its peak with the Junior-Senior Prom. The "Class of 66" is looking forward to their last year as upperclassmen.

Pat Umphrey

Most people will agree that the "class of '66" presented a tremendous Junior Revue, "Anything Goes." The MC's, Ken Cooper, Chuck Porter, and Pat Umphrey kept the audience laughing through the entire show. The ticket sales reached a peak with both nights sold out and people standing along the sides of the auditorium to watch "Hello Dolly," and "Everything is Coming Up Roses," the boys' and girls' chorus lines which were under the direction of Bobby Burgwald, Andy Osgood, and Jane Overmire. However the majority of responsibility for the "great review" goes to the co-chairmen, Chris Howson and Chuck Burkrey.

Juniors will long remember the suspense filled weeks before the review. Of course, the juniors knew it would be great with their time and talent put in it and proved it as a special thanks to Mr. Kirchgessner, whose assistance was greatly appreciated. The night finally arrived—make-up was on, lights dimmed, and the curtain went up. Later, a wonderful evening was ended with the cast party in the homes of Tom Beckering and Jon Hoekstra. Congratulations to all who were involved in the review on a job well done.

Chris Howson and Chuck Burkrey, Co-chairman.

SOPHS GET STARTED

EXECUTIVE BOARD: FIRST ROW l to r: Sec. Debbie MacGregor, Vice-Pres. Mary Gunthar, Pres. Terry Wisner, Treas. Debbie Reed. SECOND ROW: Kathy Wheeler, Mary Jo Maggiore, Cindy Eilers, Denise Sayfie, Pat Johnson, Karl Nadolsky, Steve Hort. THIRD ROW: Butch Briggs, Scott Webb

This year's Sophomore Class has learned how to work together through participation in senior high activities. Along with gaining bigger school responsibilities, the Sophs had new privileges. The highlight during the year was ordering and receiving their class rings. Before Christmas, the Sophomores sold candy to earn money for a vacation sleighride. In the winter they had the annual Spaghetti Dinner. During the spring they sponsored a dance and worked jointly with the Quarterback Club on a sales project. Without the able assistance of Miss Holm and Mr. Norenberg to guide them in class activities, the Sophs would not have had such a successful year.

JUNIOR HIGH LEADERS

ROW 1; Karen Kramer, Cynthia Porter, Marty Robinson, Jane VanderSloot, Katy Haughey, Barb Buckery
ROW 2; Carl Brown, Rick Locke, Jeff Yushta, advisor Mr. Vandenberg, Randy Edmonson, Marshall Purnell, Jerry Sittser

The frosh started a committee to unify the efforts of their unorganized class. Twelve people, two from each homeroom, were elected to co-ordinate the activities of the newly organized system. Through the leadership of the committee, a get acquainted dance with Ridgeview's freshman was planned. The class, or "group," entered a booth in the winter carnival and participated in the Christmas decoration contest with

elaborately decorated homerooms. Bake sales and a skating or bowling party were tentative projects for the future.

Class efforts were directed not only toward activities, but also toward their importance in the junior h.gn. They successfully prepared for their high school years, exhibiting their likes and dislikes.

LEADERS OF THE NEW WORLD

Call on me, I know the answer

Eighth graders this year are encircled by a whirl of activities both extra-curricular and scholastic. History classes condense the work of the first and second units so that contemporary history can be completed in the ninth grade. One person from each home-room serves on the council of seventh and eighth graders with a chairman appointed among them. The ambitious class held a roller skating party in October and an annual Christmas party. As a major project books were sent to British Guinea. School problems from different parts of the world are discussed through letters written between pen pals.

Differential Aptitude Tests taken in the fall give them a glance into the future. From test results and counselor guidance, they plan tentative programs for high school

WARRIORS OF THE FUTURE

We're quiet sometimes

Our new addition of seventh graders has good potential for future years. They showed amazing ability to adjust quickly to their new surroundings and school routine. Because of the students' eagerness to participate in class, an unusual amount of teacher-pupil planning was experienced. Good supplies, provided for the classes, enabled them to complete projects beyond daily assignments. Several successful outside activities were planned allowing them to get better acquainted with each other. The class became an enjoyable part of the junior high and worked earnestly in preparation for eighth grade.

ACTIVITIES

CO-ORDINATED

EFFICIENTLY

Activities compose a large portion of "Our World." School organizations offer students a variety of activities which are both fun and educational. Through committee projects, such as Thanksgiving baskets for the needy, students are able to serve their community while enjoying themselves.

CO-OPERATION WITH OUR NEW GOVERNMENT

Student Council's goals are to give students an opportunity to work with a representative government, to develop and promote a pleasant atmosphere in which to learn, and to serve as a liaison between students, faculty, administration, and community. These goals can only be realized through organization. The new Student Council Constitution enables the Student Council to co-ordinate all school activities more efficiently.

Committees of the council enable the student body to be active in their Student Council. The Activities Committee, under the chairmanship of Bob Beaman and Bob Koebs, set up the dance code for all Ottawa dances. They also set up an employment bureau in accordance with President Johnson's employment plans. The Scholarship Committee with Martha Vlahos as chairman is responsible for summer scholarships and the honor roll. The committee's main projects are the tutoring service and the Scholar-of-the-Marking-Period for students who show great scholastic improvement, initiative, citizenship, and school service.

The Projects Committee is responsible for all major activities. Among these were the Student Council course and the Student Forum which acquainted students with the functions of their council. Jan Heyl and Fred Davison certainly have a large amount of work as chairmen of projects. Chairman Tim Stelma of the Traffic and Safety Committee registers all student drivers and promotes the use of seatbelts. Doug Honholt, who is chairman of Pep Club, takes care of the pep store. School spirit was boosted by the Pep Club and by signs and decorations which the Publicity Committee made. Ann Whalen and Mary Anderson are the chairmen in charge of all Student Council publicity. Class presidents, homeroom representatives, and council officers work with the chairmen on all activities. Under Mr. Newton's guidance, the Student Council is increasing co-operation among students as individuals and as groups.

HAIL TO THE PEP CLUB

Hats off to our spirit builders! Doug Honholt and his Pep Club sponsored many activities to build school spirit. Besides the victory bell and decorated goal posts, a new Indian head and tepee were present at every football game. The day of the Catholic game the Pep Club sponsored a breakfast for all three classes, an assembly, a potluck, and a car caravan to the game. The winter season brought swimming, basketball, wrestling, and more pep assemblies. For the South Basketball game they put on a pep assembly and had a special section reserved at the game for Ottawa students. During the winter, the Pep Store opened displaying many new items such as T-shirts, jerseys, and night shirts. Spirit remained high throughout the spring for the track, tennis, and baseball season. Ottawa students thank the Pep Club for their endless efforts to build school spirit to a peak.

Who says the juniors can't yell!

SERVICE FOR OUR WORLD

This service club to the community based on the principles of Kiwanis is an active organization. The boys began the year with officers elected last spring: Pres. Steve Marshall, V. Pres. John Hoekstra, Tres. Dave Hutton, Sec. Chuck Bukrey. Their first project began in October where they collected money for the Cystic

Fibrosis Drive. Throughout the year, money was earned by several candy sales. As a service to the community members measured the area of buildings and public facilities for the use of the handicapped. An Appreciation Dinner was held in the spring to end a successful year

INFORMATIVE, INFLUENTIAL, AND ENTERTAINING

"To inform, to influence, and to entertain with quality is the purpose of the Spectator. The paper acts as a spokesman of Ottawa Hills." This is an excerpt from the policy and purpose of the school paper printed in one of the first issues of the new Spectator.

This year the Spectator has stressed the publication of news pertaining directly to the school and student body. Emphasis has been on previewing news. All editorials reflected the views of the staff. Often both sides of an issue were reported. The Spectator printed letters from the student body showing various reactions to school problems. The sports section previewed coming events and reported on sports news not covered by the city newspapers. Under the guidance of Mrs. Eleveld, staff advisor; Miss Bader, business advisor; and Maggie Todd, editor-in-chief the Spectator successfully filled its purpose of informing, influencing, and entertaining the student body.

UNO, DUO, TRES

The Latin Club increased its enrollment with the addition of a third year class. Initiations were held for first and second year students containing everything from the Beatles to President Johnson vs. Goldwater election. As a service project, gifts wrapped at the December meeting were given to patients at Maple Grove. Christmas songs were sung in Latin with only the tunes recognizable to the listeners. The last meeting was spent as a beach party held at Miss Smitter's cottage on Lake Michigan.

UNE BONNE ANNÉE

Mlle. Bashara and friend

Les Amateurs Français under the guidance of Mrs. Tubbs has enjoyed an activity filled year. Initiations were held in the fall and spring. The initiates sang the French national anthem and performed skits which were judged by the officers. During the year, the French Club sponsored donut sales after school. A highlight of the year was the Christmas party with a catered ham and turkey dinner. In the spring, the club had a very successful booth at the Carnival of Nations.

Members learned more about French customs and culture through the meetings of the club. At several monthly potlucks there were guest speakers who either lived in or visited France. All members agree that Les Amateurs Français was fun as well as educational.

PARENTS, TEACHERS, STUDENTS CO-OPERATE

Mr. Walter C. Schaefer, President of Ottawa's PTSA, calls Mrs. J. Maynard for a Co-ordinating Board meeting

With the perspective offered by experience, the PTSA maintains leadership by re-activation of the co-ordinating board. This board is composed of Walter C. Schaefer, President of the PTSA; Miss Marion Campbell of the administration; Richard Banta, President of the Student Council; and Mrs. Lynn Eleveld of the Faculty Club. Representatives from each organization and Mr. David Newton, advisor to the Student Council, assist in planning programs and activities. Monthly meetings of the board co-ordinate the activities of these major areas of school life. During informal meetings the group discusses academic, social, and cultural problems. A calendar of major events helps avoid duplication of school events.

Other PTSA accomplishments include increased PTSA membership; a joint effort with the Student Council in presenting a "Fall Feast and Festival"; a February workshop, "Living with Each Other," with guests from other schools; and continuation of the after-game refreshment and checking services. A sizable monetary gift, magazines, and clothing are given to the city PTA council for needy students.

LAST LEAGUE FOR SENIOR GIRLS

With February 12 as a goal, the Senior Girls' League worked diligently to put on the annual Sweetheart Swirl. Under the co-chairmen, Judy Miller and Peg Wood, the girls carried out the sweetheart theme in pink burgundy decorations. The six sweethearts this year were: Seniors, Mary Anderson, Jane Raubinger, Ellen Schaefer, and Maggie Todd; Junior, Nancy Vandusen; and Sophomore, Debby MacGregor.

Under the guidance of Mrs. Eleveld, the League

planned many activities. To start out the year they gave a potluck before the Union football game. The girls adopted a family and at Thanksgiving sent them a basket of food. At Christmas they had a work party to collect and make gifts for their needy family. In the spring the club had a booth in the Carnival of Nations and sponsored a tea completing a successful year.

The Junior Girls' League started the year with a pot-luck held in the cafeteria before the Creston football game. Brownie sales were held after school to help raise money for this year's Sox Trot Dance.

Socks of all colors shuffled into the beautifully decorated gym in colors of blue and pink to see the Sox

Trot Court. Reigning as Lady Lounger and Lord Loafer were Sue Stellard and Mike Whalen. Members of the court included: Chris Hausen, Betty Karns, Jane Overmire, Lorraine Moncure, Gus Hopson, John Hoekestra, Mark Kemperman, and Steve Warmington. The evening was a great success for the junior girls.

A YEAR OF BEGINNINGS

This year the Sophomore Girls' League has been working on many projects under the guidance of Mrs. Welsh, their sponsor. In the fall, they had a potluck for all members before the Central football game. At Christmas the girls served cookies at the Sophomore holiday party. Sponsoring a dance was the March project. In May, the girls had a successful booth at the Carnival of Nations. Besides carrying out their own projects, the club supported all activities sponsored by their class.

HELPING OTHERS TO HELP THEMSELVES

Service to the school library is the Library Club's main goal. Besides checking out books and helping students, these members work behind the scenes repairing and arranging books for circulation.

Although the Library Club spend most of its time working in the library, the members enjoyed many outside activities. In the fall, an initiation and picnic was held honoring the new members. At Christmas, they decorated the library and had their annual

Christmas party. Ottawa's Library Club also participated in an exchange party with Ridgeview's junior librarians. To earn money, they periodically sold donuts to hungry students. Members interested in gaining more knowledge in library science attended the "SLAM" conference (Student Librarians' Assistants in Michigan). To wind up the year, the Library Club had a luncheon to honor each member.

ON YOUR HONOR

Service, character, leadership, and scholarship are what determine a student's eligibility for the National Honor Society. The Honor Society has been very active this year. Before Christmas, they had an induction assembly for seniors with a 3.3 grade average. Another induction was held in the spring for seniors, juniors, and sophomores. Throughout the year, the Honor Society sold fudge and brownies after school and held monthly potlucks. In co-operation with the scholarship committee, members voluntarily tutored students during study halls.

FUTURE LIES IN FIRST AID

To promote interest in nursing is the purpose of the Future Nurses. Members are given an opportunity to investigate schools of nursing for their future plans. This year the Future Nurses visited several city hospitals to observe the duties of a nurse. In the spring, each member did volunteer nurses' aid work to acquaint herself with hospital procedures. As a club, the Future Nurses had monthly meetings, sponsored donut sales, and had a booth in the Carnival of Nations.

FEMININE OLYMPIC STARS

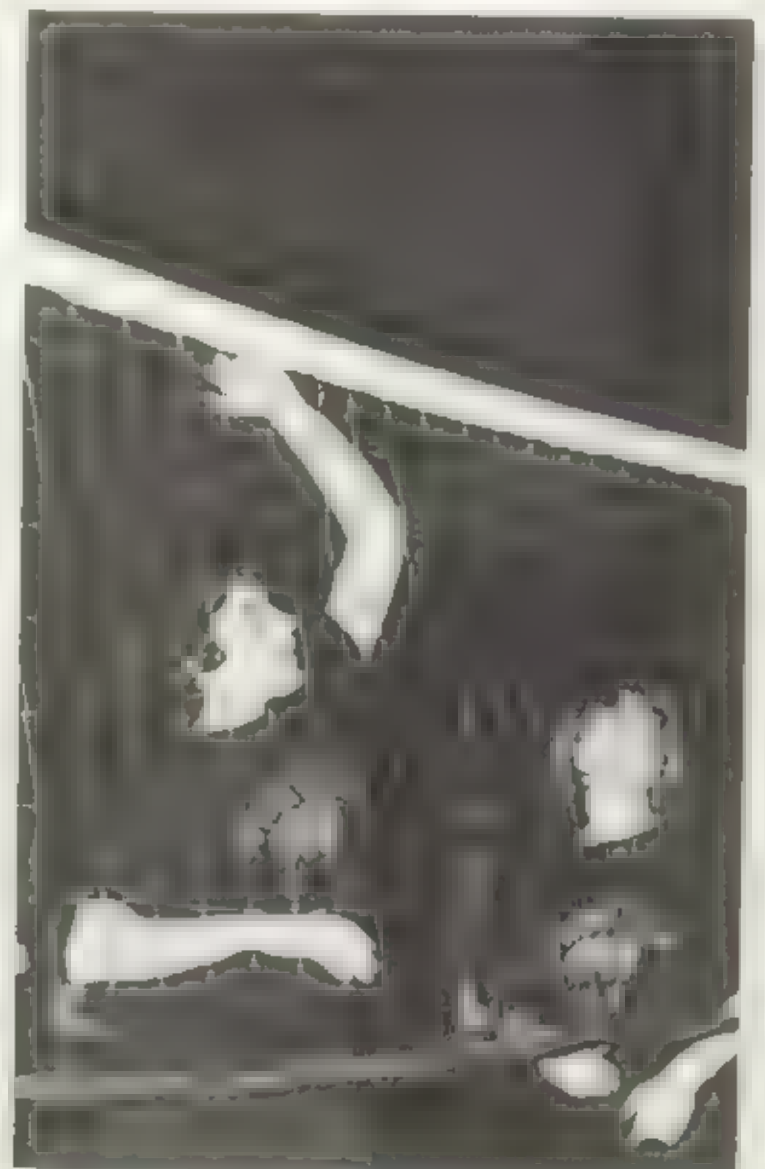

The girls weren't left behind this year in sports. Ottawa was represented with a girls' team in football, basketball, swimming and volleyball. In the spring they participated in softball and track. The swim team and basketball seemed to be the most enjoyable. The officers for the club were Norma Namminsma, Beverly Green, Alma Oatly, and Donna Bailey

EDUCATORS OF TOMORROW'S WORLD

The purpose of the Future Teacher's Club is to acquaint high school students with the teaching profession. Under the able leadership of Mrs. Hill and Mrs. Baehre this year's club has achieved this purpose. They visited Western Michigan University in the fall and several special education schools during the winter. The members agree that this year was very rewarding

The Future Teacher's Club held many successful potlucks and heard many interesting speakers. They are in the process of setting up next year's program. Next year the club should be more active because of the large number of juniors and sophomores who will be returning.

An important organization which is always eager to help and give service to all is the Red Cross. They met once a week under the leadership of Mrs. Haven. Among the year's activities were a party in the fall and a donut sale in the spring. Ottawa once again contributed to the Red Cross Enrollment Drive with representatives from each homeroom in charge of collecting the money.

The Orchestra began the year in assemblies by putting on an hour of entertainment for the senior high. They performed at several school functions, and joined with the choir at Christmas to present a program to the students. In the spring, they participated in the District Festival and have hopes of going to the State Festival.

The Junior Orchestra practices long hours to be prepared to enter the Senior Orchestra in tenth grade. They also preformed at the District Orchestra Festival.

PARADES, FESTIVALS, CONCERTS

Ottawa's Band was a great asset to building school spirit during the football season. Many pep assemblies were put on with the aid of the pep band and at basketball games blue blazers were worn by them to increase unity. The band performed in numerous parades, including the Memorial Day and Santa Claus. Many hours of practice and preparation went into the spring Pop's Concert and the District Band — Orchestra Festival at which they performed in March. The high light of the year was the trip to Michigan State to perform with thirty-eight bands from all over Michigan.

THEIR GOAL . . . A CAPPELLA CHOIR

The Sophomore Choir, chosen from the ninth grade choir, completed another successful year. Besides singing in school assemblies, the sophomores sang at church engagements, festivals, and Ottawa's spring concert. To learn how other choirs operate, they participated in an exchange with the vocal department of South High School. One of the highlights of the year was the Choir Clinic at Forest Hills High School. City choirs had the opportunity to sing as one choir with a guest director. From the Sophomore Choir students were chosen to be members of the year's A Cappella Choir.

The A Cappella Choir has had an active year. Besides periodic school assemblies, the choir sang at numerous programs. At Christmastime, they put on an assembly for the students, sang in the annual Holiday Concert, and took part in the Christmas vesper service in the Fountain Street Church. Christmas day, the A Cappella Choir appeared in a half hour television pro-

gram. Spring brought more assemblies, concerts, and the annual spring music festivals.

Two smaller groups were formed from the choir. The Choraliers, made up of sixteen members, sang at special engagements. Six junior girls formed the Junior Girls' Ensemble which had many requested appearances and was in the Junior Revue.

HOMECOMING 1964

Lights in the auditorium dimmed and the noisy chatter silenced. The Sophomore Choir softly hummed strains of "Halls of Ivy." The senior class of 1965 proudly presented the five couples on the Homecoming Court.

Although the varsity gave a spectacular performance, we unwillingly lost the game to Catholic Central. During the halftime Queen Merilee Byle was presented a bouquet of roses by Varsity Club member, Bill Moss. She thanked everyone, "For giving Bill and me the opportunity to represent our great Ottawa."

The following night the gym was transformed into a storybook ballroom. Decorations of blue, gold, and green were woven together with gold favors given out naming the members of the court. In the middle of the dance, the students lined the aisle on both sides reaching the throne. The Homecoming Queen and King of 1964 were crowned. The theme from "Dusk to Dawn" was no longer a name but a memorable evening for Queen Merilee Byle and King Bill Johnson.

OUR

WORLD OF ATHLETICS

This year in "Our World of Athletics," Ottawa was considered a possible City League title contender in all sports. The 1964-65 school year produced outstanding teams in the fall, winter, and spring sports. Characteristic of Ottawa Athletics was the City champion football team. The major reason for the success of the teams was the terrific spirit of the student body, shown through its attendance at all athletic contests

GRIDDERS TIE FOR CITY

For the first time since 1938, Ottawa Hills finished the football season in first place. The only mar on this great season came in the last game against Catholic Central. Although the Indians put up a terrific fight, the excitement of Homecoming and the tensions of "pep week" proved too much for them. Despite this loss, Ottawa ended the season with a fine record of 5 wins, 1 loss and 1 tie. They were ranked as the number 11 football team in Michigan in the final poll.

Outstanding seniors on this year's varsity were linemen Dave Smith, Ron Norman, and Dick Blumenstein; ends Jon Kachniewicz and Steve Hill; and backs Bob Beaman, Jamie Castor, Mike Dunn and John Pierucki. Bob Beaman and Dave Smith were selected on the 1964 all-city team.

Junior letterwinners were John Hoekstra, Mark Kemperman, Dick Weinrich, Bill Beverly, Lonnie Williams, Tom Cooper, Mike Razoog, Rick Shook, and John Price.

SPIRITED SOPHS CAPTURE SECOND

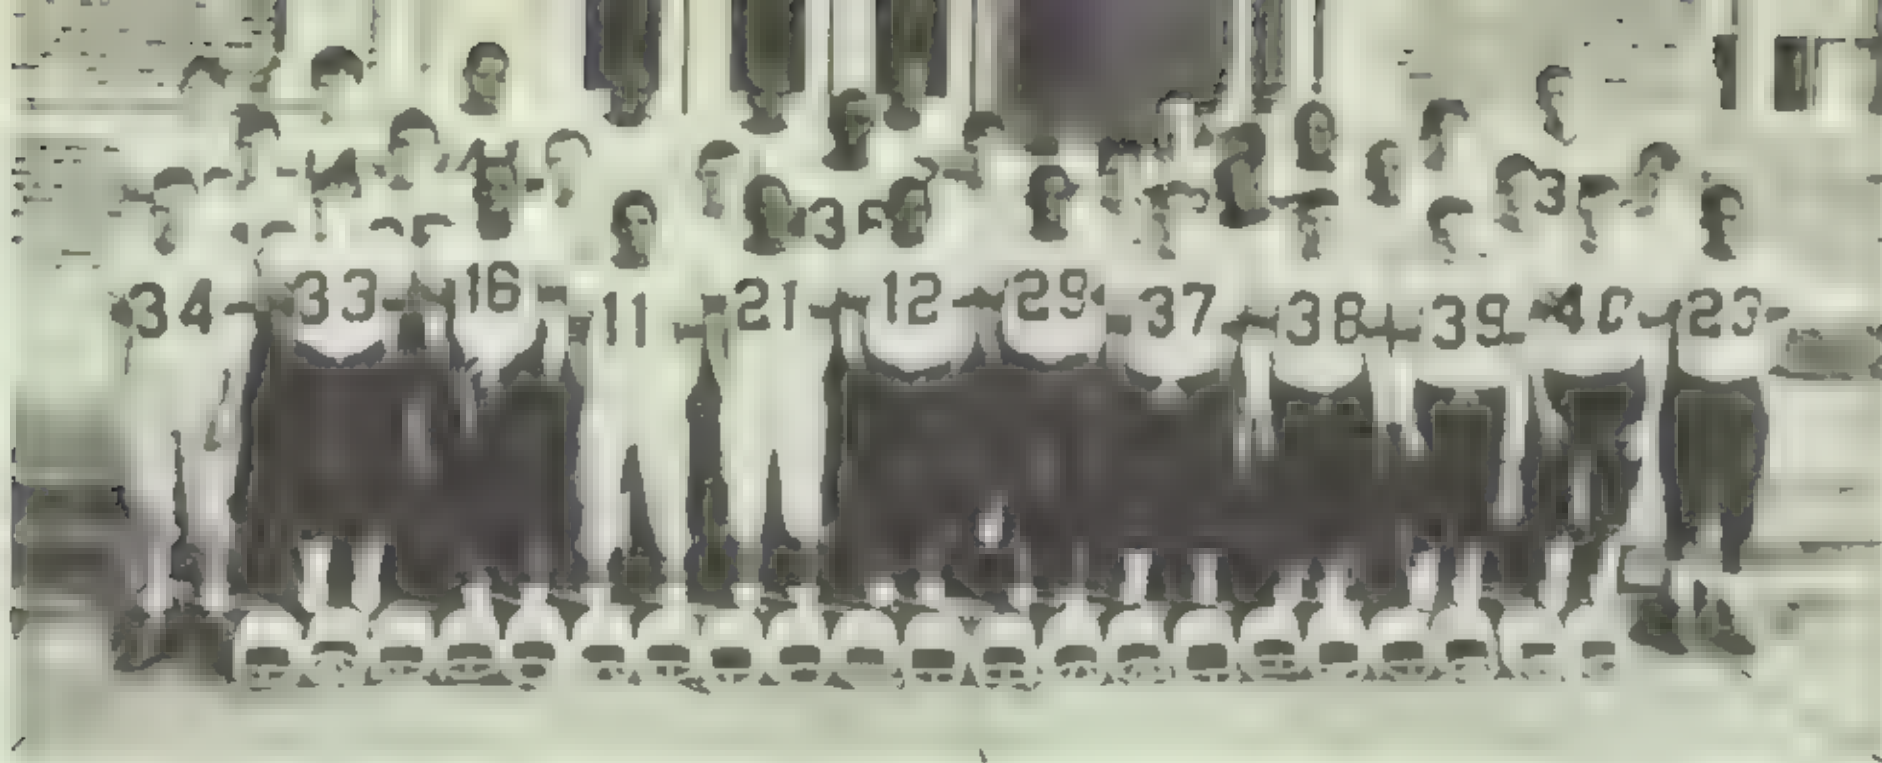

In his first year of football coaching at Ottawa, Coach Wiegerink led his reserve team to a second place finish with a record of five wins to two setbacks. The Centra game was considered the young squad's best game and their encounter with West Catholic was their most difficult one. The team was sparked by the co-captains, Karl Nadolsky and Ire Dembensky. Andy Perucki was voted the most valuable player and the team voted Bill Nielson their most improved player.

Their fine coach, Mr. Emery, felt that it was a "Good Team Effort."

HARRIERS SHOW IMPROVEMENT

Coach Brouwer

Improvement was displayed by Ottawa in the 1964 cross country meets. Ottawa lacked a first place runner but had enough depth to win all but one meet. Coach Brouwer was very satisfied with this year's and was pleased that eleven of the fifteen letterwinners will be returning next year.

The team's strength was first tested against Catholic Central. After beating Catholic, the team lost its only meet to Christian. A string of five wins was easily accomplished by the harriers. It was stretched into six consecutive wins when the team outdistanced East Christian for second place in the city league standings.

Seniors, Gary Sikkema, captain, Dick Val, and Ed Sweter helped pace the team to victory. Juniors, Marc Baas, John Petiet, Tom Stehouwer, and Bruce Geelhoed, with Sophomores Kirby Smith, Jeff Jones, and Jim Ponchard, should pace next year's performance.

“WE CAN BEAT YOUR TEAM ANY 'OLE TIME”

In November, Ottawa was picked as a title contender chiefly because four of last year's starters were returning. They were: center, Ben Johnson; forward, Virtlee Trice; and guards, John Pierucki and Bob Hutson. These four players helped Ottawa stand up to pre-season predictions. After a non-league victory over Holland, the Indians began to take City League opponents apart. Christian, East Catholic, and West Catholic fell victims to our cagers before we were upset by Central's sharpshooting Rams. This defeat proved to be just enough to instill the winning spirit in our boys that carried them undefeated until the last game of the season. In this final game with South, Ottawa was outshot by the Trojans and suffered an 86-73 setback which resulted in a tie for first place in the rugged City League.

The Indians were not content to lose, and the following week they met South in the opening District Tournament game. With their great shooting and outstanding floor play even Lee Lafayette could not save South from defeat. In the District Final, Ottawa gained a 73-57 decision over Christian's spirited Eagles. The first District Championship Trophy in more than a decade was awarded to the Indians after this game. In the Regional Tournament, Ottawa drew Escanaba as its first foe. This Upper Peninsula quintet was completely overpowered by our tribe. The following evening we met Muskegon Heights for the final

Regional game and added one more trophy to our case by downing the Tigers 69-61. This victory placed Ottawa among the top eight class A schools in Michigan. We had not been rated this high during the season.

After the Regional Championship, our next hurdle was Saginaw in the state quarterfinals. We lost a close 54-50 battle and were eliminated from further Tournament action at Lansing Civic Center on a very snowy night.

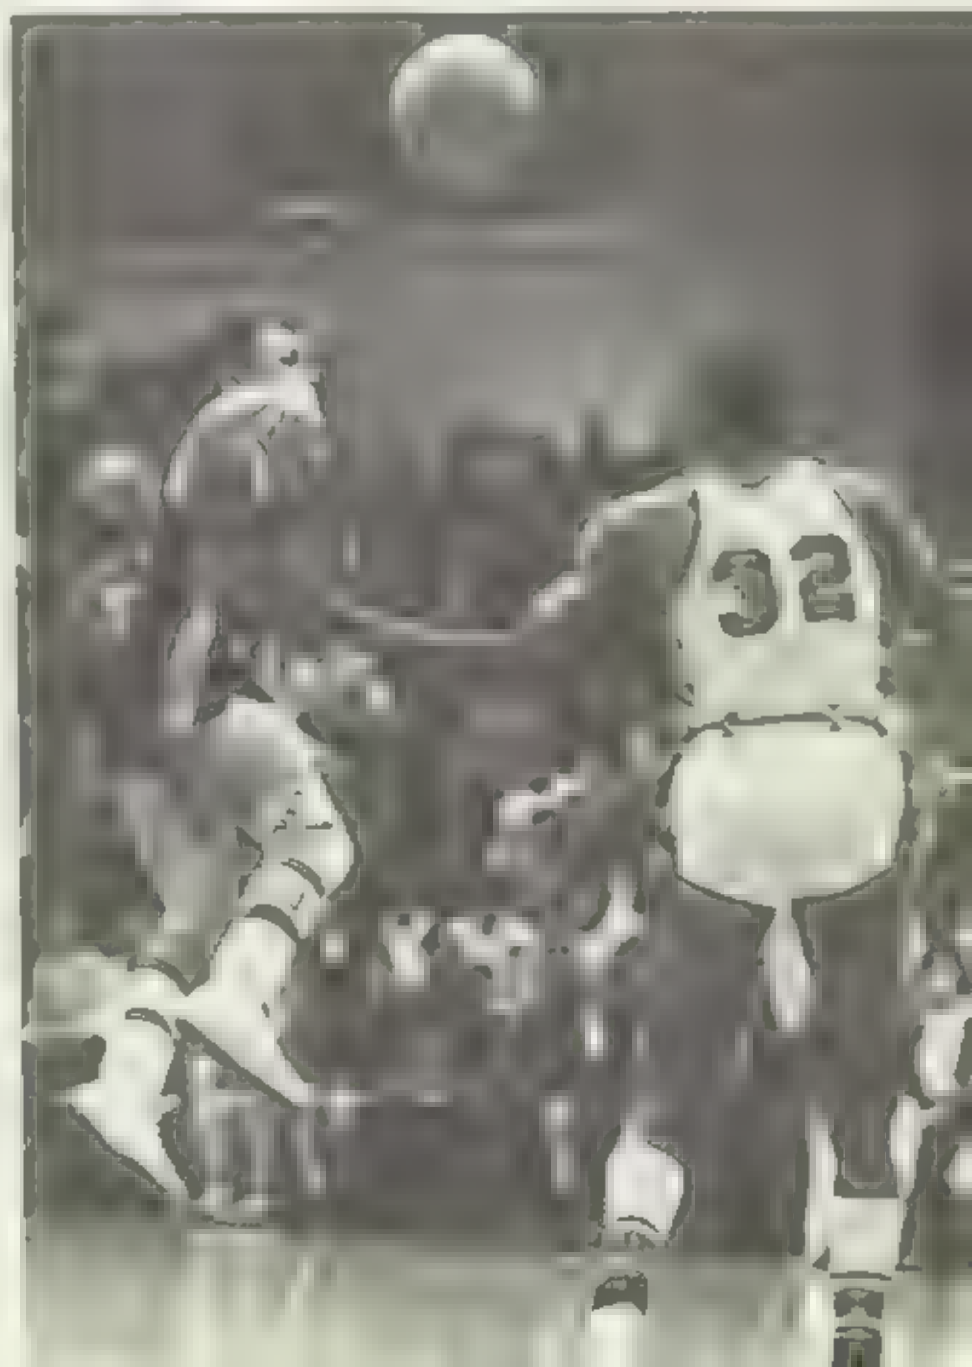

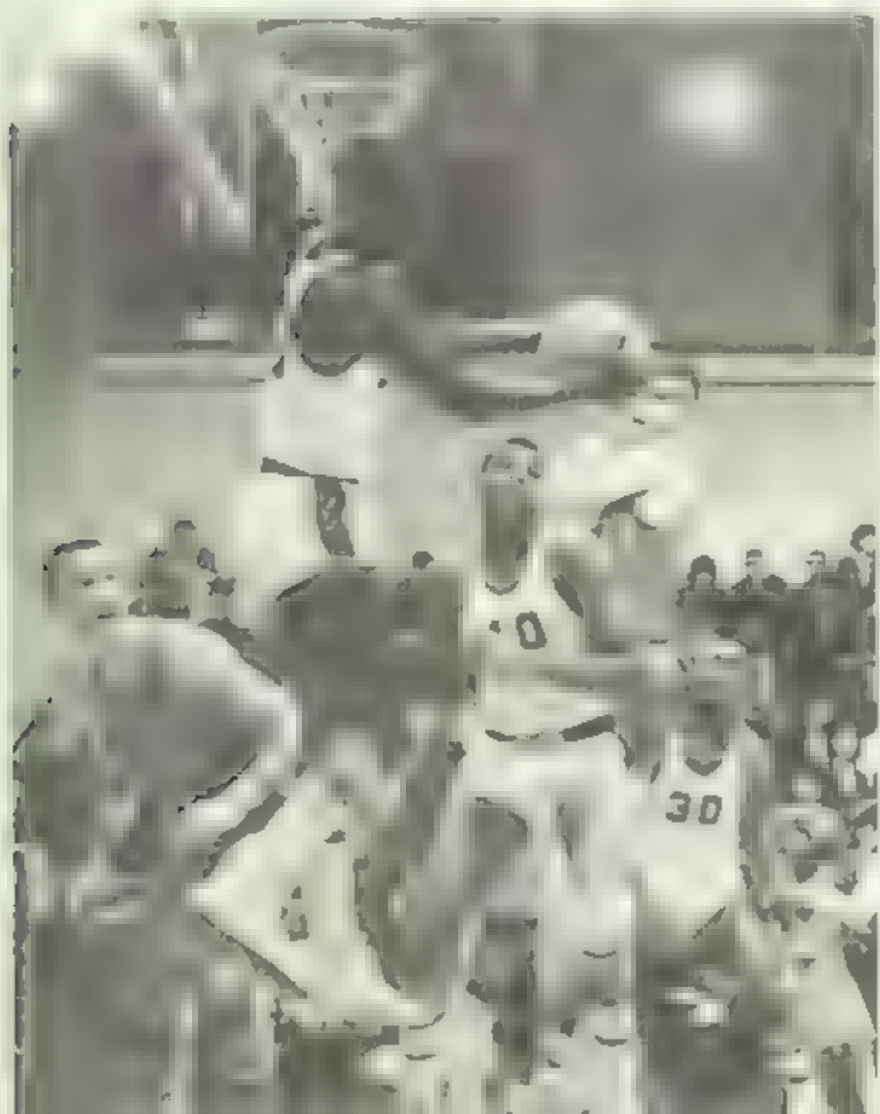

One reason for the excellent performance of the '64-'65 cagers was the outstanding overall talent which they displayed. Virtlee Trice was honored on the All-State team, while Ben Johnson, John Pierucki, and Trice were selected by the coaches for the Press All-City team. Bob Hutson received All-City honorable mention. In addition to these laurels, Johnson, Trice, and Pierucki made the All-Woodland Team chosen by WOOD-TV.

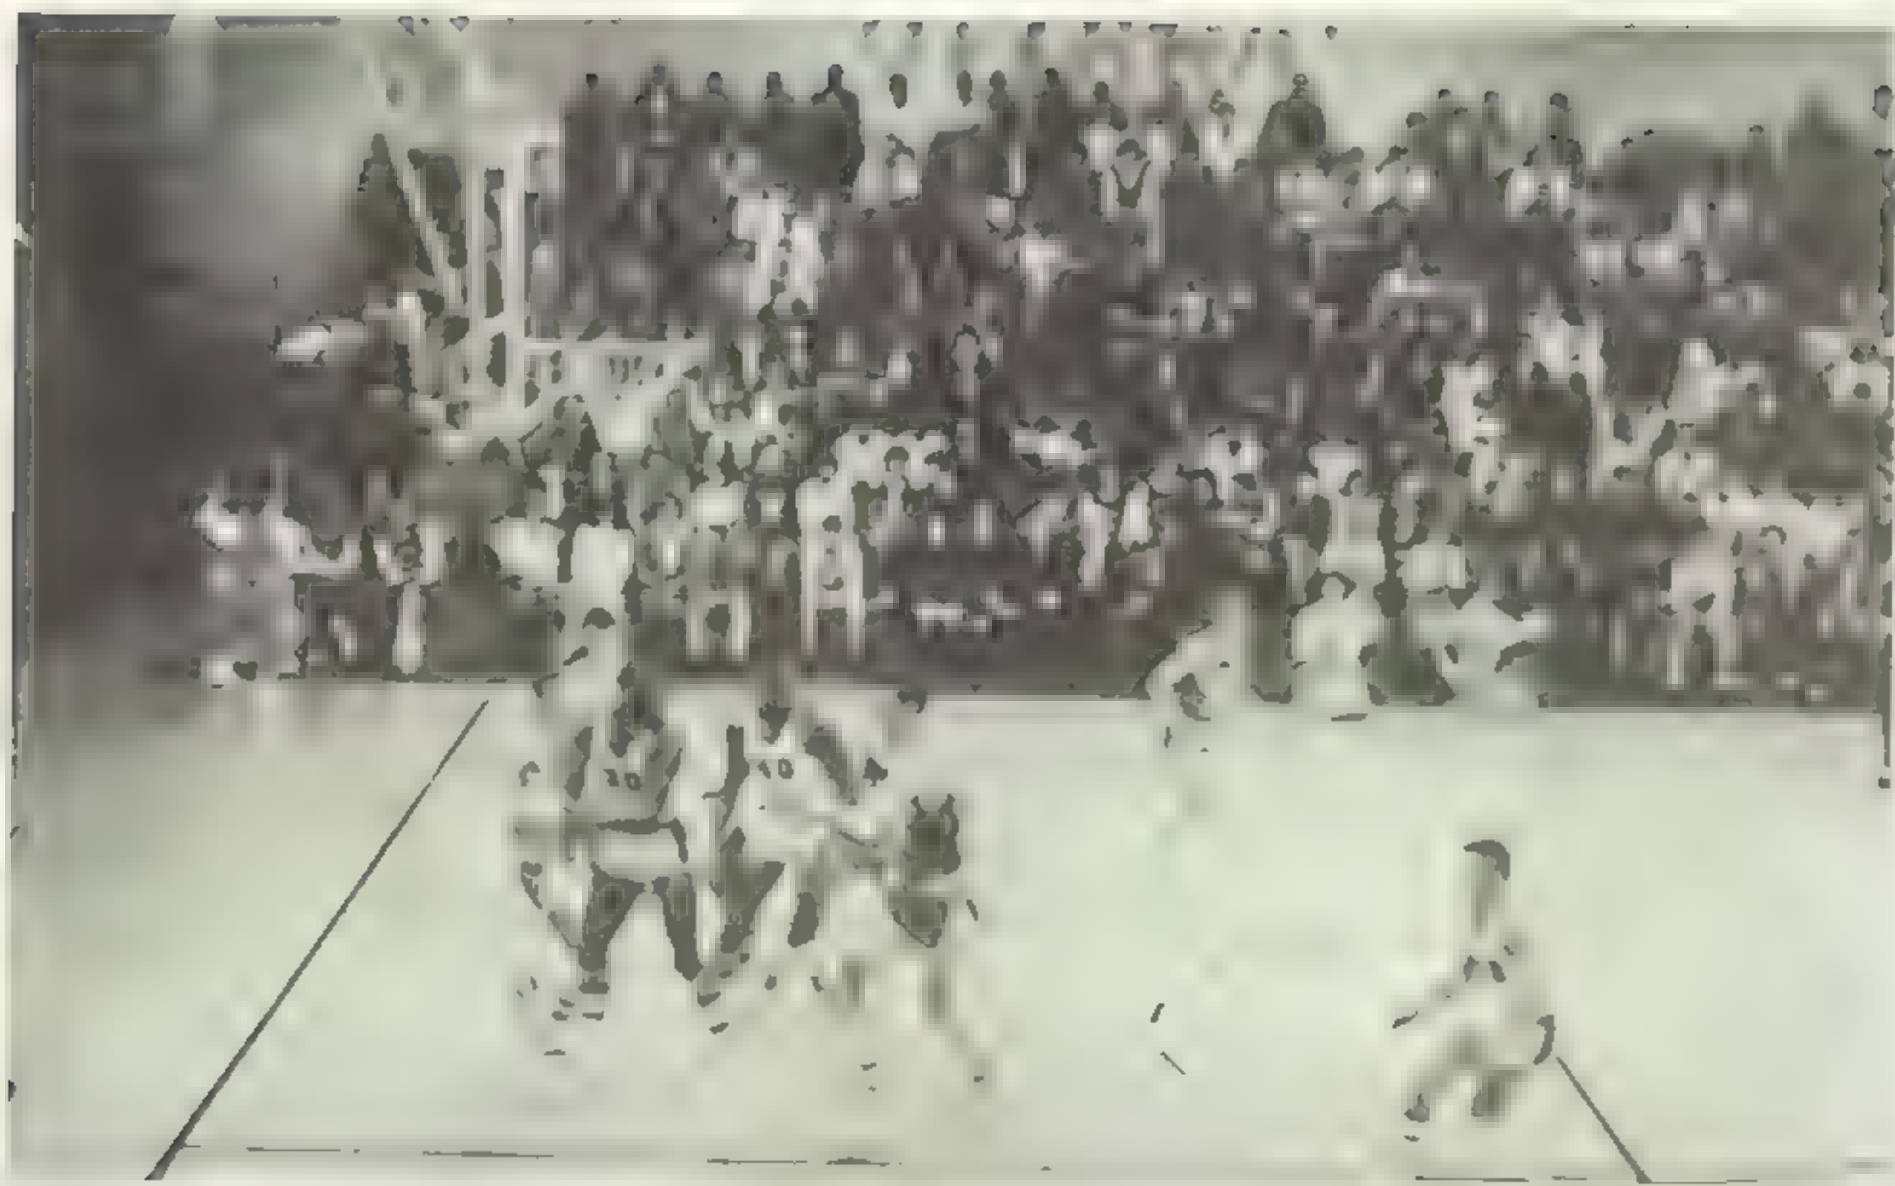

The fifth starting position was shared during the first half of the season between Bill Goodson and Dave Smith. In the first South game, however, junior forward Mike Coleman came off the bench and grabbed 15 rebounds to earn the starting role for the remainder of the season. Mark Kemperman, also a junior, was a valuable substitute as were seniors Casey Musch and Fred Bowman.

Coach Ray Hoag's initiation into the sophomore basketball race was a rather rough one as his squad finished the season in last place with a league record of 1-13. The team lost its two non-league games to Holland and East Christian to make their overall record 1-15. The reserves only victory was against West Catholic where they put together a well-balanced scoring attack and defeated the Westiders. The little Indians lacked height and overall

depth and the boys had a hard season trying to match taller teams in the league. Jerry Horan, Andy Pierucki, Bill Neilson, Skip Marshall, Butch Briggs and Jim Ingle played the role of starters for the major part of the season. The team usually had a different captain for each game, but Andy Pierucki performed the role of captain for most of the games. Jerry Horan received high scoring honors for the Reserve basketball team.

THIRD ROW, Otis Smith, Purcell Singleton, Herman Green, Steve McCreary, Larry Townsend, Tom Hampton, Mgr. Percy Johnson

The Freshman basketball season was a success. They went undefeated in 10 straight games. Coach Jim Eaddy was doubly blessed in that he had quality as well as quantity to which he applied his coaching talents. With a turnout of nearly 50 and an eventual squad of 20 boys, Ottawa's future basketball fortunes began to take shape.

A front line of Herm Green, Tom Hampton, Steve McCreary, Dave Rowerdink, and Otis Smith gave

the frosh great board strength and control, a necessity to any winning ball club. Together with stellar guard play by Steve Booth, Ernie Cryer, Larry Dunston, and Marshall Purnell enabled the 9th graders to develop more than one offense and defense.

Overall, the team success was due not to one or five young men, but a team of 20 lead by a fine coach working and learning together, as one great team, the Freshman team.

WRESTLERS TAKE CITY

The 1964-65 Ottawa Hills wrestling team, under the direction of coach Dave VanderMolen, compiled an impressive overall record of seven wins and two losses. The teams only losses were to Rockford, a powerhouse in the Tri-River conference. Here in the city, Ottawa's mighty band of wrestlers went unde-

feated. Throughout the season, the team worked very hard and deserved everything that they accomplished. One of the exciting highlights of the season was a victory by one point over Union. SWIMMERS TAKE 2nd IN DUALS AND CITY MEET

This year's swimming team had a very successful season. They compiled a 7-1 record in the City League. With the addition of East Christian to the schedule, this year's team had to swim eight meets instead of seven. The season came to a climax when both Central Christian and Ottawa were undefeated in City League competition. The Indians came out on the short end of a close meet, (60-45). The boys worked hard during the season. This work provided them with a second in the city and dual meets. The city meet was close with the Indians losing to Christian by the score 40-33. Captain Larry Ofield received a first place in the breaststroke and was a

member of the winning medley relay team. Robbie Volkers was first in the individual medley and second in the butterfly. Dan Long came from behind on the final to place first in the diving competition. This year's medley team was undefeated in dual and city meet competition.

Seniors Larry Ofield, Gordon Steenberg, Dick Banta, and Jim Warmington were among the top point makers this season. These boys received a lot of help from three juniors, Robbie Volkers, Dan Long and Dave Schlenker. All three of these boys will be back next year with some very good talent from the Sophomore class.

The track team hopes to continue the winning tradition which is typical of all Ottawa teams this year by placing first in both the duals and the city meets. The track team is undoubtedly one of the finest in many years. With the majority of last year's team back at the beginning of the season, there is no doubt in anyone's mind as to Ottawa's strength.

The probable starters this year are: seniors; Mike

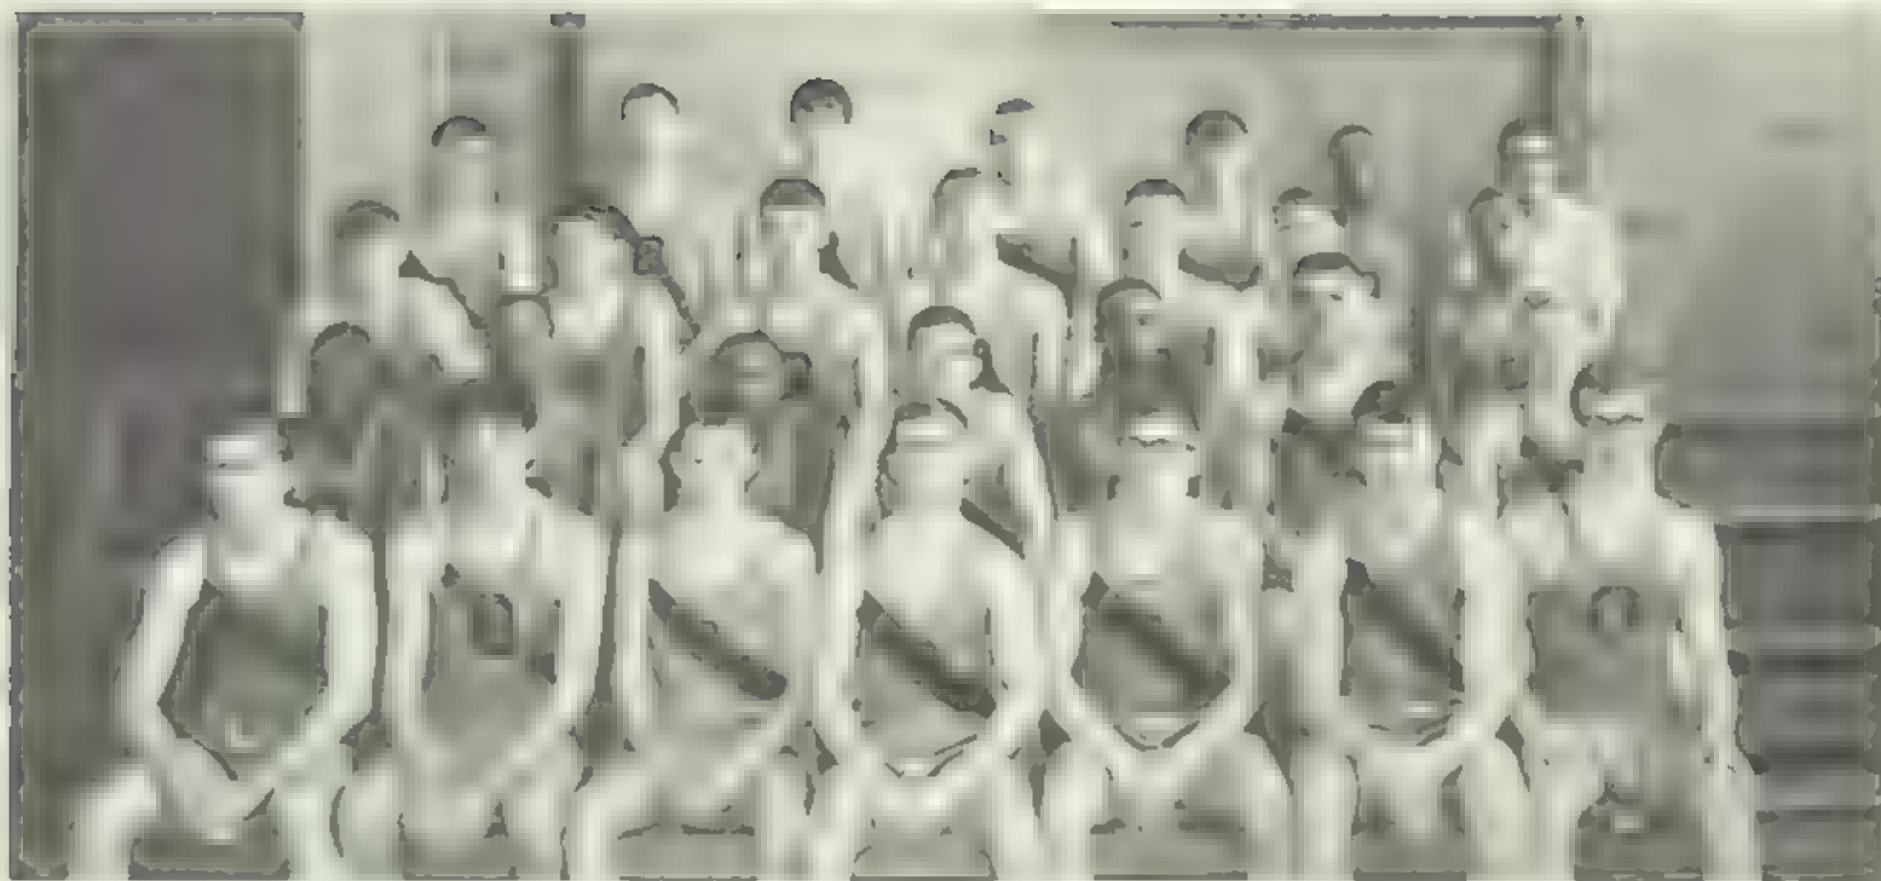

Dunn in the hurdles, Virtlee Trice in the dashes, Gary Sikkema in the mile, and Dick Vail in the quarter mile; juniors Bill Goodson in the high jump, Tom Stehower in the half mile, and Rick Welch in the shot put; some promising sophomores are Butch Briggs and Andy Pierucki. Some promising juniors are Jeff Porter, Gus Hopsan, and Hilliard Hyde.

NETMEN SET SIGHTS ON CHAMPIONSHIP

This year's netmen have set their sights on the city championship. Our team is filled with experienced juniors and seniors. In all, five lettermen are returning, but in order to capture the championship the team is depending upon help from the sophomores.

Dave Custer and Fred Davison are the only returning Senior lettermen of this year's team. Dave was a member

of one of the better doubles team in the city last year. Fred will be counted on for valuable points in singles this year. Three more lettermen that are expected to see a lot of action are: Dick Borst, Dave Post, and Rick Shook. Sophomores Emery Freeman, Tom Goff and Rick Ellis should provide the help for Ottawa to challenge this year's championship.

GOLFERS LOOK FOR WINNING SEASON

This year's golf team is hopefully looking forward to a high finish in the city golf race. With the return of three seniors, all letter winners last year, and good depth from the junior and sophomore classes the team should be in contention for the Dual Championship. The team is led by long-hitting Randy Baer, a senior who has lettered in his two previous years. Doug Hon-

holt and Tim Werner are the other two returning letter winners; both were consistent performers for the 1964 team. Randy Westover, a promising sophomore, senior Tom VanDriel and junior Bob Anderson should provide depth for the team. The toughest opposition will be provided by Union and East Catholic.

STICKMEN SHOW IMPROVEMENT

Baseball practice began the first week of March for about 50 enthusiastic sophomores, juniors, and seniors. With many returning veterans, Coach Soper expects an improved record over last year. Rick Peet, Bob Beaman, and John Pierucki were expected to play the outfield positions because of their previous experience. The infield is well stocked with returning seniors Henry

Texer, Jerry Underwood, and Bill Johnson, Junior Mark Kemperman and sophomore Bill Nielson show potential to fill the shortstop position. Pitchers expected to see a lot of action were Dick Weinrich, George Raterink, and John Pierucki, while Jim Van De Vusse returned to handle the catching duties. Junior Lonnie Williams also show promise for the infield.

LETTERMEN TAKE ON NEW LOOK

The Varsity Club continued to lend its services to Ottawa, with new activities added to their traditional duties. As well as recruiting for the Ottawa Hills Quarterback Club, and selling paddlepops at basketball games, the club took on the responsibilities of ushering at all school assemblies and basketball games.

The club began with twenty seniors and three juniors from last year's club. After initiations, the number was expanded to sixty-two members (thirty-two seniors, twenty-eight juniors, and two sophomores). The four officers are: John Pierucki, Pres.; Bob Beaman, Vice Pres.;

Jon Kachniewicz, Sec.; and Ron Norman, Treas.

Two annual projects of the club are the Varsity Club-Faculty basketball game, which is always an exciting contest, and the Penny Queen Dance, held April 10. Both of these activities helped to "pad" the club treasury.

The "new look" of the club came from the purchasing of blazers with the exclusive "Smiling Ned" on the pocket. Club members believe that these new sport coats will eventually replace the letter-sweater presently worn by the club members.

SPIRIT BUILDERS

The cheerleaders have become an important part of Ottawa's athletics. Their purpose is to promote and improve school spirit, good sportsmanship, and interschool relations. They are an essential part of pep assemblies, football and basketball games.

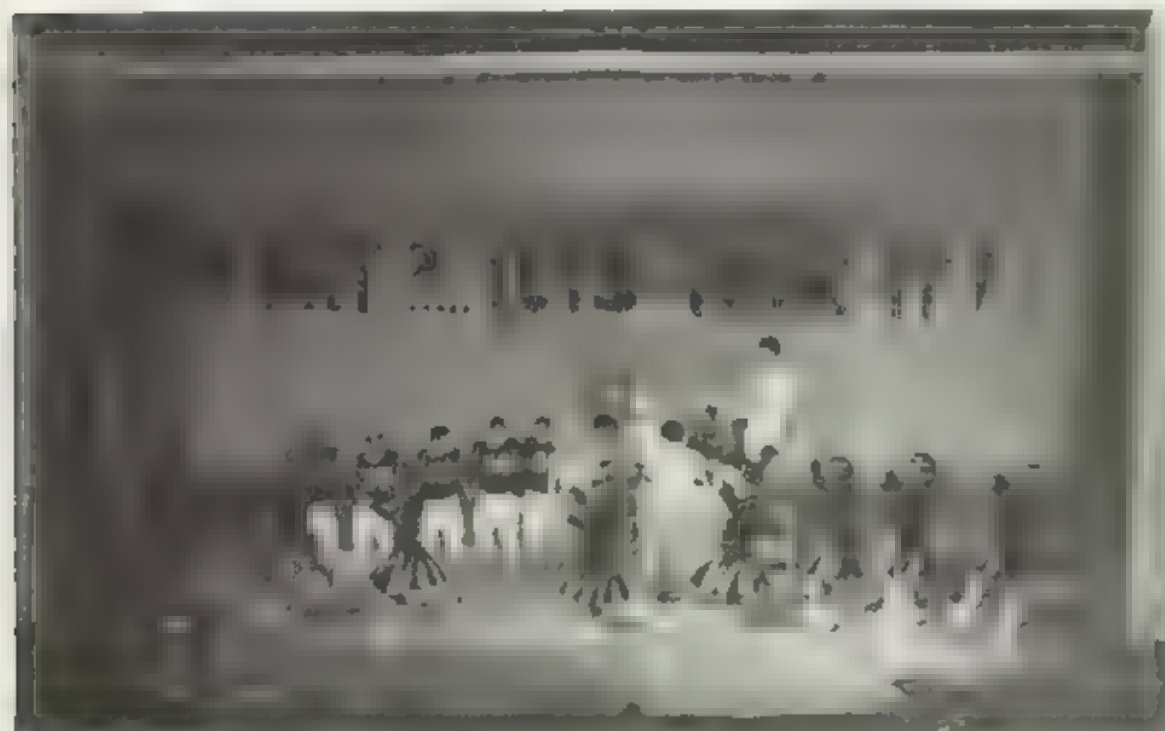

During the summer, all or part of the varsity squad attends a cheerleading camp for 4-5 days to learn new cheers, chants, songs, ideas for pep assemblies, skits, projects, and sportsmanship promotions.

The cheerleaders start early to prepare for these sports. Each spring after tryouts they organize to choose a captain and co-captain. Practice begins immediately, continuing through the summer and increasing as the opening of school approaches.

Fall brings football and the start of a busy season

for cheerleaders. Practices are held twice a week, and one night a weekend is reserved for the game. Besides regular practices, meetings of all three squads are occasionally held to discuss money-making projects, attendance at clinics, and any other problems that arise. With the end of basketball, tryout practices for next season's squad begin. Present cheerleaders teach a month-long clinic which is followed by tryouts.

Cheerleaders have always been self-supporting, earning any money they spent for uniforms and equipment. The athletic council has now agreed to include them in their program. This will go into effect in the "65-66" season.

Working amid "dummy" sheets, cropping pencils, typewriters, photographs, and final layouts, the Legend Staff edited the Legend '65. Last spring department editors attended seminars at East Grand Rapids High School and Western Michigan University to formulate new ideas for this year's Legend. The advertising, index, underclassmen, and senior sections were busy with the tedious work of selling ads, collecting photographs, and indexing names. Members of the copy, art, and photography staffs added the basic foundations for the Legend. The sports staff was responsible for coverage of Ottawa's participation in city sports events. All members of the Legend Staff worked diligently to complete the yearbook for distribution to the student body in June.
